

REMARKS

Applicant has amended the specification to correct a minor informality in the claim for the benefit of the filing date of prior patent applications pursuant to 35 U.S.C. § 120. Applicant respectfully requests that the PTO acknowledge the entire priority claim pursuant to 35 U.S.C. § 120, as set forth herein, in the next communication.

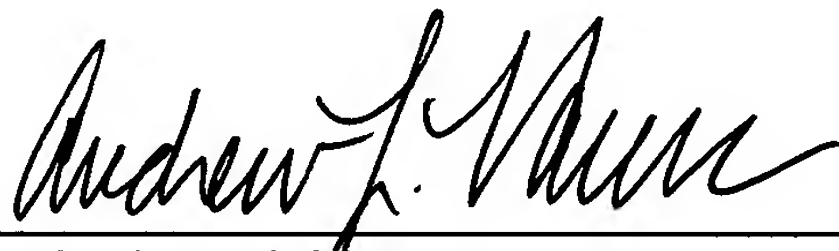

This amendment to the specification has been filed within four months from the filing date of this application. No new matter has been added.

If there is any fee due in connection with the filing of this Preliminary Amendment, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
